

## CONTRA COSTA COUNTY FIRE PROTECTION DISTRICT SPEAKERS BUREAU

The Fire District offers many programs for all ages on various fire and life safety topics. **New in 2006** are presentations about the new requirements for creating and maintaining defensible space for property owners in priority hazard zones of our county.

### FIRE-SMART LANDSCAPING

Presented by

Contra Costa County UCCE Master Gardeners

The danger of wildfire in the East Bay is a serious issue. More than 4,000 homes are at high risk for a wildland-urban interface fire in Contra Costa County. Learn from a master gardener how you can create a landscape that is fire-smart and beautiful.

Get expert advice and see real-life examples of

- ☉ Fire-smart plants and shrubs
- ☉ Fuel breaks
- ☉ Tree pruning and spacing on level ground and slopes

Get answers to your questions about preparing and maintaining defensible space on your property. Call 925-941-3505 to schedule a speaker on this topic for adult audiences.

### CALIFORNIA WILDFIRE, DEFENSIBLE SPACE AND YOU

Presented by the Contra Costa County Fire Protection District

The danger of wildfire in the East Bay is a real concern to the firefighters who protect life and property in Contra Costa County, where more than 4,000 homes are at high risk for a wildland-urban interface fire.

See real-life examples and get facts and tips on

- ☉ What are wildland-urban interface areas
- ☉ Who is most at risk
- ☉ What your Fire District is doing
- ☉ Fire-smart home makeovers – what you can do

Learn how you can help our firefighters help you better. Call 925-941-3505 to schedule a speaker on this topic for adult audiences.
