ASSISTING AGENCIES: East Contra Costa County Fire, Antioch PD, PG&E

TOTAL PERSONNEL: 50

INCIDENT SUMMARY: Contra Costa County Fire units responded to a report of a Commercial Fire at 2400 Sycamore Dr. in the City of Antioch. Upon arrival, Truck 83 reported a possible dumpster fire near a large commercial building. Upon further investigation it was determined that the fire had spread into the building and was now in the attic over a Plumbing Company. Fire crews quickly advanced charged hose lines into the building to check for trapped occupants and extinguish the fire. There were no victims located in the building. The fire extended throughout the common attic and spread into the mansard. A second alarm was called for at 11:32 pm due to the size of building and extent of the fire. The fire was knocked down and firefighters proceeded with overhaul and salvage operations to protect contents and property. Fire damage was contained to two units within the building. Another three to six units sustained smoke and water damage. The building and multiple businesses were saved. This incident required the response of multiple Con Fire companies from throughout Central and East County.

INJURIES: No civilian or firefighter injuries

CAUSE: Under investigation

DUTY CHIEF (SELECT ONE DC PER SUBMISSION) A/C Goetsch
