

Contra Costa County Fire Protection District Battalion 8 Incident Notification

Time: 21:24:17
Type of Alarm: Accident with Rescue
Location: 4893 Lone Tree Way, Antioch CA
Response: R82, E88, T83, T84, R10, E52, M80, M86, M87, M92, EMS8, BC8, 1108, PIO
Assisting Agencies: East Contra Costa Fire, Antioch PD, Con EMS
Total Fire Personnel at Scene: 27

Contra Costa Fire units responded to an accident with rescue reported on Lone Tree Way in front of the Walmart. Antioch PD arrived on scene first and reported two possible deceased victims and multiple people trapped inside of a vehicle. Rescue 82 (Antioch) arrived on scene, established command, and ordered additional resources due to the patient count and complicated nature of the disentanglement. Rescue 82 reported that they had a full sized SUV against a tree with four victims inside needing disentanglement. A Multi-Casualty Incident (MCI) pre-alert was declared and the Con EMS Supervisor handled all patient destination decisions and ambulance communication. Fire units from Contra Costa County Fire and East Contra Costa Fire worked for over 30 minutes to extricate the four victims. The victims were transported to local hospitals and two victims were pronounced dead on scene.

Fire paramedics assisted with patient care during transport in one of the four ambulances. Contra Costa County Fire and Con EMS worked seamlessly together to provide excellent patient care to multiple patients in a dynamic and stressful environment.

Contra Costa County Fire crews remained on scene after the patients were transported to assist with extricating the deceased driver for the coroner's office and to provide scene lighting for Antioch PD.

Feel free to contact me if you have any comments or questions regarding this incident.
