**TYPE OF ALARM: Residential Structure Fire**

**LOCATION: 564 Maureen Ln**

**RESPONSE: 5 Type 1 engines, 1 Truck, 1 Breathing Support, 2 Battalion Chiefs, 1 Fire Inv. 1 Training Captain**

**ASSISTING AGENCIES: ConFire Ems, PG&E, PH PD**

**TOTAL FIRE PERSONNEL AT SCENE: 25**

**A single alarm fire occurred at this address. BC1 arrived first on scene reporting light smoke coming from a single story residential structure. E5 was assigned fire attack, they entered the building to find fire located inside the wall next to the furnace possibly extending to the attic. Additional crews performed search, ventilation and overhaul. All occupants were outside and accounted for. Fire was extinguished in approx. 20 minutes but, extensive overhaul was needed for charring and blown in insulation. Crews worked hard to limit fire spread and the owner was very appreciative of the effort displayed by the firefighters. Investigator 20 arrived and the cause of fire is under investigation. No injuries reported. Any questions please call.**
