**Assisting Agencies:**  
East Contra Costa County Fire  
PD

**Total Personnel:**  
37

### Incident Summary:

Contra Costa County Fire units responded to a neighborhood for a vegetation fire threatening homes. E88 (Antioch) reported smoke from the station. E88 arrived on scene and reported a fire on a hillside behind multiple homes. A structure alarm was started due to the fire's proximity to the homes. The fire was burning on a slope with light flashy fuels and was being pushed by the wind. Antioch PD was on scene with a drone which allowed the IC to quickly evaluate the fire from the air and deploy resources appropriately. The decision was made to allow the fire to burn to the fire break at the top of the hill and use all the resources to prevent it from extending North or South along the houses. Crews were able to put progressive hose lays in place to stop the progress and extinguish the fire. Crews remained on scene for 2 hours after the fire was out to ensure all smoldering material in the burn area was fully extinguished.

The fire burned a total of 3 acres.

### NUMBER of injuries and fatalities, civilian and firefighter ONLY (no medical treatment info!)

One civilian initially requested to be evaluated, but refused care upon arrival of ConEMS.

**Cause:**  
Under Investigation

**Duty Chief (Select One)**  
A/C Quesada
