

MEASURE O OVERSIGHT COMMITTEE REPORT

FISCAL YEAR 2020-2021

History

Measure O, a special tax parcel replacement measure, was approved by the voters on November 8, 2016 to be used for any lawful purpose permissible to Fire Districts pursuant to California Health and Safety Code Section 13800 et seq., including but not limited to enhancing the level of fire protection, emergency fire protection and paramedic response services through increasing staffing levels to operate and maintain the District's fire stations, maintaining and when necessary replacing fire protection and lifesaving equipment and apparatus to optimal levels of function, and to fund capital improvements.

Purpose

To independently review the expenditures of the Measure O parcel tax revenues for compliance with the special parcel tax and to inform the public and advise the Board if the funds were expended in accordance with the intentions of the voters.

Financial Highlights

Measure O funding replaced the expiring Federal SAFER grant, allowing the District to continue to employ firefighters hired with grant funds while keeping both fire stations open and fully staffed. These funds were used for Group Insurance Health (Active Employees and Retiree) and CCCERA Unfunded Actuarial Liability Payments. 497 Senior Exemptions were received, amounting to a reduction in funding of \$113,316.

Financial Summary

2020-2021 Measure O Revenues received were \$2,502,195, and total expenditures were \$2,470,203, leaving a fund balance of \$31,992. Measure O funds were used to reimburse the following General Fund Expenses:

Group Insurance Health Active Employees July 2020 through June 2021: \$517,433
Group Insurance Health Retiree July 2020 through June 2021: \$303,323
Unfunded Actuarial Accrued Liability payments: \$1,639,704
County Collection Fees: \$9,743

Detailed Measure O expenditure information is provided in the Independent Accountant's Report, which is attached to the Fire Chief's Annual Report.

Conclusion

The Measure O Oversight Committee has determined that Measure O parcel tax revenues for fiscal year 2020-2021 were expended in fiscal year 2020-21 in accordance with the voter-approved requirements of Measure O. Additionally the unexpended amount of \$31,992 for fiscal year 2020-21, combined with the unexpended amount of \$802,155 for fiscal year 2019-20, result in a total unexpended amount of Measure O revenues of \$834,147.

However, all Measure O unexpended funds are contained within the total budget and do not represent an actual separate fund. The represented unexpended funds are for bookkeeping purposes only.

Measure O

History

In November 2016, the residents of Rodeo and Hercules voted overwhelmingly to pass Measure O, an annual parcel tax of \$216.00 (this amount may increase annually by the lesser of 3% or the CPI in the San Francisco-Oakland-San Jose Area by a vote of the Board of Directors). Measure O funding continues to be a crucial component of the Fire District's ability to maintain its fire stations and fire station staffing. Beginning in fiscal year 2019-20, the Board of Directors has increased the parcel tax by the allowable rate as follows:

FISCAL YEAR	PER PARCEL RATE
2017-18	\$216.00
2018-19	\$216.00
2019-20	\$222.00
2020-21	\$228.00

Senior Exemptions

Seniors who are 65 or older are eligible for an exemption to the parcel Tax. For someone to qualify for the senior exemption, they must meet the following qualifications:

- The qualifying person must reside in the property for which they are claiming an exemption.
- A new exemption form must be submitted on an annual basis and returned to the Measure O Parcel Tax Administrator by the deadline of January 31 of each year and include proof of eligibility.

For the convenience of our residents, an exemption drop-off mailbox is in front of our District offices.

Financial Highlights

The Fire District received 497 Senior Exemptions for fiscal year 2020-21, an increase from exemptions received in fiscal year 2019-20. The exemptions equate to a \$113,316.00 reduction in Measure O revenue. Fiscal year 20-21 Measure O funds were distributed for Health Insurance for Active Employees, Retiree Health Insurance, Unfunded Actuarial Accrued Liability Payments, County Measure O Collection Fee.

Efficiencies

The practice of illustrating the Measure O revenues in a separate budget category within the Fire District's annual budget will continue.
